

CRAZY EIGHT CARD GAME

RACE YOUR FRIENDS TO BE THE FIRST PLAYER TO GET RID OF ALL YOUR CARDS!

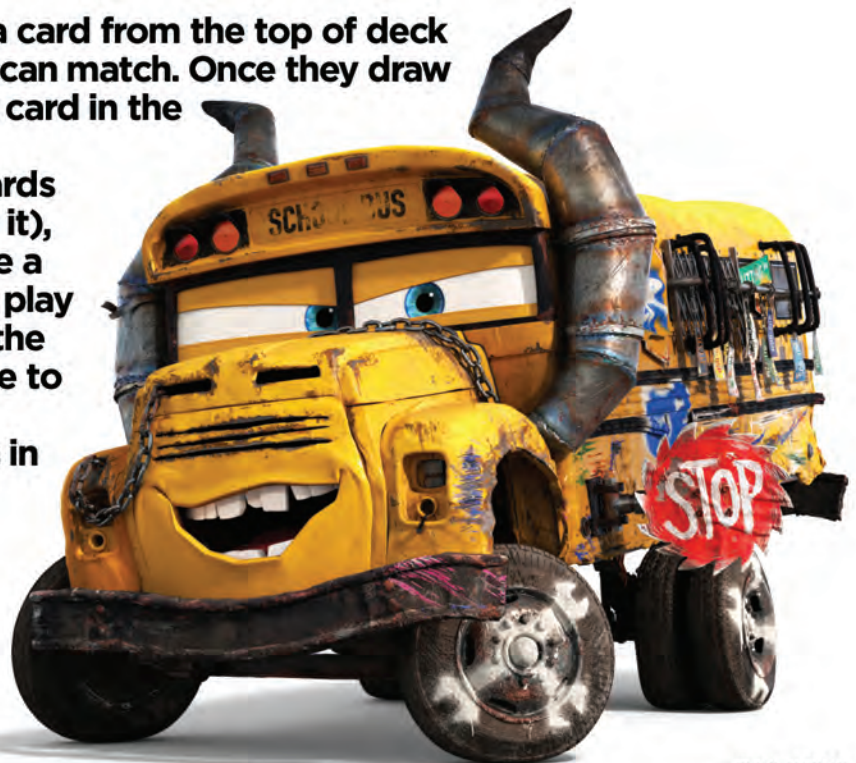

INSTRUCTIONS

- Print out the following pages on thick paper.
- With the help of an adult carefully cut out all the cards to form a deck.

HOW TO PLAY

- For 2 - 4 players
- Deal five cards to each player.
- Place the remaining cards face down in the middle and turn over the top card.
- The player to the left of the dealer will go first. That player must either match the character on the card or the number. If they can match they will discard that card and it is the next person to the left's turn.
- If they can not match they must draw a card from the top of deck and continue drawing cards until they can match. Once they draw a card that matches they will play that card in the discard pile.
- If you have one of the "Crazy Eight" cards (with Miss Fritter and the number 8 on it), you can play this when you do not have a card in your hand to match. When you play one of these cards you get to choose the character that the next person will have to match and your turn is over.
- The first player to discard all the cards in their hand wins!
